

会议日程 Program

会议地点：西北农林科技大学交流中心 104 会议室

Location: Conference Room 104 in Communication Centre, NWAUFU

Mar 29, 2024

Time	Speaker	Activities	Chair
Silkroad Workshop on Sustainable Crop Production Opening Speech			
9:00-9:20	<ul style="list-style-type: none"> Address by Prof. Jun Luo, Vice President, NWAUFU Address by Prof. Yerbol Issakavey, Vice Rector for Academic Affairs, Kostanay Regional University 		Prof. Weixing Shan
9:20-9:30	Group Photo		
9:30-9:50	Prof. Yerbol Issakavey Kostanay Regional University	Agro-industrial potential of Kostanay region	
9:50-10:10	Prof. Gani Stybayev S.Seifullin Kazakh Agro Technical University	Prospects for the use of rotational pastures in the steppe zone of Northern Kazakhstan	
10:10-10:30	Leading Researcher Petr Nikolaev Omsk Agrarian Research Center	Selection of the Omsk Agricultural Research Center	
Tea & Coffee 10:30-10:50			
10:50-11:10	Prof. Rui Zhang Northwest A&F University	Technological Integration of Wheat Yield Improvement in Shaanxi Province	Associate Prof. Yuling Meng
11:10-11:30	Prof. Jihong Hu Northwest A&F University	Genomic Selection and Genetic Architecture for Yield Traits During Modern Rapeseed Breeding	
11:30-11:50	Prof. Youning Wang Northwest A&F University	Enhancing Yield, Quality, and Salt Stress Tolerance in Soybean	
11:50-12:10	Prof. Tingdong Li Northwest A&F University	Development and Application of High Efficient Wheat Transformation System and Genome Editing Technology	
12:10-14:00 Lunch Location: Guest House			

Time	Speaker	Activities	Chair
14:00-14:20	Prof. Almabek Nugmanov Kostanay Regional University	Smart Agriculture Research in Kostanay Region	Prof. Tingdong Li
14:20-14:40	Prof. Kazydub Nina Omsk State Agrarian University	Prospects for the Cultivation of Leguminous Crops as A Factor in the Sustainability of Rural Areas	
14:40-15:00	Prof. Vadim Khassanov S. Seifullin Kazakh Agro Technical University	Biotechnological and Selection-genetic Research of Potato at S. Seifullin Kazakh Agrotechnical Research University	
15:00-15:20	Leading Researcher Gulya Kunypiyayeva Kazakh Research Institute of Agriculture and Plant Growing	An introduction of the modernization of agriculture in Kazakhstan	
15:20-15:40	Associate Professor Tokbergenova Zhursinkul Kazakh Research Institute of Fruit and Vegetable Production	Scientific Support of Potato, Vegetable and Melon Growing in the Republic of Kazakhstan	
Tea & Coffee 15:40-16:00			
16:00-16:20	Scientist Rauan Zhapayev Kazakh Research Institute of Agriculture and Plant Growing	What Policies is Kazakhstan Adopting to Increase Farmers' Incomes and Promote Rural Development	Prof. Vadim Khassanov
16:20-16:40	Associate Professor Anastasiia Kazak Northern Trans-Ural State Agricultural University	An Introduction of Potatoes from Siberia	
16:40-17:00	Senior Lecturer Dinara Kultayeva Kostanay Regional University	The Ideotype of the Oilseed Flax Variety for the Forest-Steppe Zone of Northern Kazakhstan	
17:00-17:20	Prof. Yongzhong Feng Northwest A&F University	Research on China's Food Security Strategies in the Context of Globalization	
17:20-17:40	Prof. Yuling Meng Northwest A&F University	Approaches for Improving Late Blight Disease Resistance in Potato	
17:40-18:00	Associate Professor Peng Zhang Northwest A&F University	The Increase Effects of Biochar Application on Maize Yield and Soc Under Film Mulching Farmland in Semiarid Area of China	

Mar 30, 2024			
Time	Speaker	Activities	Chair
9:00-9:20	Prof. Weixing Shan Northwest A&F University	Collaboration in Agricultural Education and Research	Prof. Gani Stybayev
9:20-9:40	Associate Professor Shutu Xu Northwest A&F University	Understanding Genetic Mechanism of Kernel Moisture and Dehydration in Maize	
9:40-10:00	Deputy General Manager Xianfeng Xia Quanyin High tech Seed Industry	Innovation and Development in the Revitalization of the Seed Industry	
10:00-10:20	Associate Professor Valentina Rzaeva Northern Trans-Ural State Agricultural University	Crop Yield in the Akira Region	
Tea & Coffee 10:20-10:40			
10:40-11:00	Senior Lecturer Assiya Ansabayeva Kostanay Regional University	The Current State and Sustainable Development of Crop Production in the Republic of Kazakhstan	Associate Prof. Shutu Xu
11:00-11:20	Senior Lecturer Murat Akhmetov North Kazakhstan State University	Work of Agrotechnopark of North-Kazakhstan University named after Manash Kozybayev	
11:20-11:40	Lecturer Azamat Useinov North Kazakhstan State University	Condition of Crop Industry in North-Kazakhstan Region	
11:40-12:00	Senior Lecturer Aldiyar Bakirov North Kazakhstan State University	Optimizing Agricultural Sustainability: Green Conveyor for Livestock Fodder in North-Kazakhstan amid Climate Change	
12:00-14:00 Lunch Location: Guest House			
15:00-17:00	Visiting Activities	Guancun Wheat Experimental Demonstration Base	
		Seed Industry Innovation Center	
		Yangling Smart Agriculture Demonstration Park
